1. I have given you My glory. I have given you My glory for groups, for gatherings, for gathering of the harvest, the gathering of souls that are so destitute, so dry, so forsaken some; some so oily but not of Me, not of My oil, not of My fire, not of My glory. I love you.
2. My glory comes. My glory comes in fire, My refiner's fire comes. My judgment begins, begun already. I love you.
3. I love you and I give you Me. I give you Me and I give you My words and I give you My high-divers, My HIGH-divers who come with Me now, who come with you, who high-dive together and high-divers make. I love you.
4. I love you. **And those who make fun of My words will make fun no longer when they see Me and they see Me high-dive even them, those who will let Me**, for I force no one, I choose to force no one. I will, I will My will, My will is My will but I give choice. I am a giver.
5. See through Me and all I am saying and all I have given. I love you. My glory is given, My power, My authority, My Me-ship.
6. Thank you for glory-ing My apostles, My prophets, My pastors, My teachers, My all, for all are all five and always have been, for I have been in Me in the workmanship of My hands these centuries, time immemorial, backwards, forwards, frontwards, over and under, integrating integrally, through, altogether one. I love you.
7. See Me in what I have said and what I am saying and what I am bringing to pass. My refiner's fire, in My refiner's fire begun. I love you.
8. It's all new, it all changes. It has already changed. See it you will, you are about to. Recognize Me for Me and what I am doing. I love you and I give you Me.
9. Me-ship begin--maximum in Me, potential in Me--My Maximum potential in Me, of Me, Me in you, through you.

11. Recant not, recoil none, nor in any manner, fashion or form. I love you and when questioned stand firm. I love you.
12. I am Me. I implant and I plant and I have planted you and I have watered you for you sought and you drank, and you drank, and you drank. You drank Me, you drank Me and sought more. You wanted Me more, you wanted My words, you wanted My correction, you wanted My beatings. Yea, you sought Me to beat you. I love you and I thank you. I

15. And those cataclysmic events which I have spoken of are now, now at My hand, unfurled from My hand in space as they come now. Ready Me, ready be. I love you. I love you. Unfurled from My hand come My comets and My cataclysmic containers which shift platelets and world powers. Watch Me.
